PyCon は、Pythonユーザが集まり、PythonやPythonを使ったソフトウェアについて情報交換し、交流するためのカンファレンスです。PyCon mini JPは、日本のユーザを中心に、日本で開催する PyCon JP の最初のカンファレンスです。

PyCon mini JP 2011/01は終了いたしました。多数のご参加、ありがとうございました。
ustreamのアーカイブから、カンファレンスの録画内容を御覧いただけます。

開催概要

- 開催日: 1月29日(土) 9:30~17:10
- 場所: 楽天株式会社 品川シーサイド楽天タワー
(<http://corp.rakuten.co.jp/company/map/shinagawa.html>)

Messages

2011/2/28 反省会議事録 :日時: 2011/2/28 (月曜日)

19:00~21:00ごろまで:場所: 株式会社アクセセンス・テクノロジ
ー東京オフィス <http://accense.com/company/access.html>:
参加者: 増田、瀧澤、寺田、もりもと、堀内、池、田村、松崎、

@takanory

2011-2020: PyCon JP

- Annual event
- English and Japanese
- 2013: PyCon APAC in Tokyo

Growth of PyCon JP

- ref: www.pycon.jp/organizer

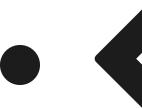

@takanory

mini(2011) -> 2019

- 1 -> 4 Days (incl. Tutorial, Sprint)
- 7 -> 47 Talks
- 4 -> 43 Sponsors
- 136 -> 951 Participants

How we organize PyCon JP

Communication Tools

-  Slack: Chat
-  JIRA: Issue management
-  Google Drive: File sharing
-  GitHub: Source code management
-  Google Calendar
-  G Suite: pycon.jp Domain and email
-  connpass: Event management

2013: Association

- We established "PyCon JP Association"
- Purpose: Money management and contracts
- 5 or 6 board members
 - www.pycon.jp/committee/english
 - I'm a board member

2014-2016: Event Chair

- I was the Chair of PyCon JP event.
 - Event team != Association
- Change event organizing

Open PyCon JP team

- Purpose: Get more people, Reference
- Open staff meeting
 - Guest -> Staff
- Meeting Blog: pyconjp.blogspot.com
- Operation Manual: manual.pycon.jp

PyCon JP Operation Manual — [Settings](#)

PyCon JP Administration Manual 0.1 Documents »

Next | index

PyCon JP administration

This document is a memo of my own notes on how to proceed to run the Python programming language conference PyCon JP .

I hope the contents of this document will serve as a reference somewhere.

The code is managed at <https://github.com/pyconjp/manual> , so we are waiting for issues and pull requests.

You can refer to the document at <http://manual.pycon.jp/> .

table of contents

- Overview
 - What is PyCon JP
 - Schedule
- Staff activities
 - Staff guidance
 - Staff attitude
 - communication
 - Mastery of tools
- Team management
 - Preparing the environment
 - Staff recruitment
 - Summarize the event policy
 - working day
 - Google Apps
- Secretariat team
 - General sponsorship support
 - Job fair
 - Media sponsor correspondence
 - budget
 - Accounting
- Media Team (Before 2017)
 - Blog
 - SNS
 - Press release
 - guidebook
 - mobile app
 - photography
- Venue team
 - Selection of venue (not yet started)

2015: PyCon mini

@takanory

2015: PyCon mini

- PyCon mini Sapporo and Hiroshima
- PyCon JP supports PyCon mini
 - Know-how, PR, Money and people
- `pycon.jp` subdomain

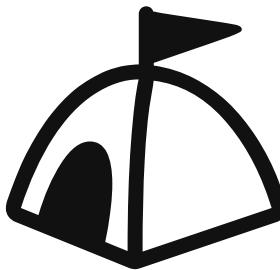

PyCon mini events

- 2015: Sapporo, Hiroshima
- 2016: Hiroshima
- 2017: Kumamoto
- 2018: Osaka, Fukuoka, Hiroshima
- 2019: Sapporo, Okinawa, Hiroshima
- 2020: Shizuoka(, Kumamoto, Hiroshima)

@takanory

2016: Python Boot Camp

2016: Python Boot Camp

- Half-day hands-on for beginners
- Purpose: Spreading Python around Japan
 - Visit all over Japan
 - Connect with locals
 - Launch local community
- Local staff and TA

Timetable

- 13:00 Self-introduction, Let's start Python
- 14:00 Data types
- 15:00 Snack break 
- 15:30 File IO, module, 3rd party package, venv
- 16:00 Web Scraping, Web API, Q&A
- 17:00 End of event -> Party 

Textbook

- [pycamp.pycon.jp](http://pycamp.pycon.jp/textbook/index.html)

The screenshot shows a web browser window displaying the "Python Boot Camp Text 2016.04.28 Documentation". The title bar says "Python Boot Camp Text — PyCharm" and the address bar shows "pycamp.pycon.jp/textbook/index.html". The main content area has a blue header "Python Boot Camp" with a sub-header "The text used in the Python Boot Camp exercises.". On the left, there's a sidebar with a logo of a person lifting a dumbbell, navigation links like "To previous topic", "To the next topic", "This page", and "Quick search", and a "View source code" link. The right side contains a large list of chapters and sub-chapters:

- [1. Before you start Python](#)
 - [1.1. Preparing the editor](#)
 - [1.2. Preparing the terminal](#)
 - [1.3. Installation of Python](#)
 - [1.4. Notes](#)
 - [1.5. Summary](#)
- [2. Get started with Python](#)
 - [2.1. Enjoy Python](#)
 - [2.2. FizzBuzz](#)
 - [2.3. Summary](#)
- [3. Python data types \(basic version\)](#)
 - [3.1. Introduction](#)
 - [3.2. Integer type \(int\)](#)
 - [3.3. Floating_point type](#)
 - [3.4. String type \(str\)](#)
 - [3.5. Summary](#)
- [4. Python data types \(Collection\)](#)
 - [4.1. Introduction](#)
 - [4.2. List](#)
 - [4.3. Tuple](#)
 - [4.4. Dictionary](#)
 - [4.5. Set](#)
 - [4.6. Summary](#)
- [5. File operations and modules](#)
 - [5.1. File operations](#)
 - [5.2. Module](#)
 - [5.3. Using the standard library](#)

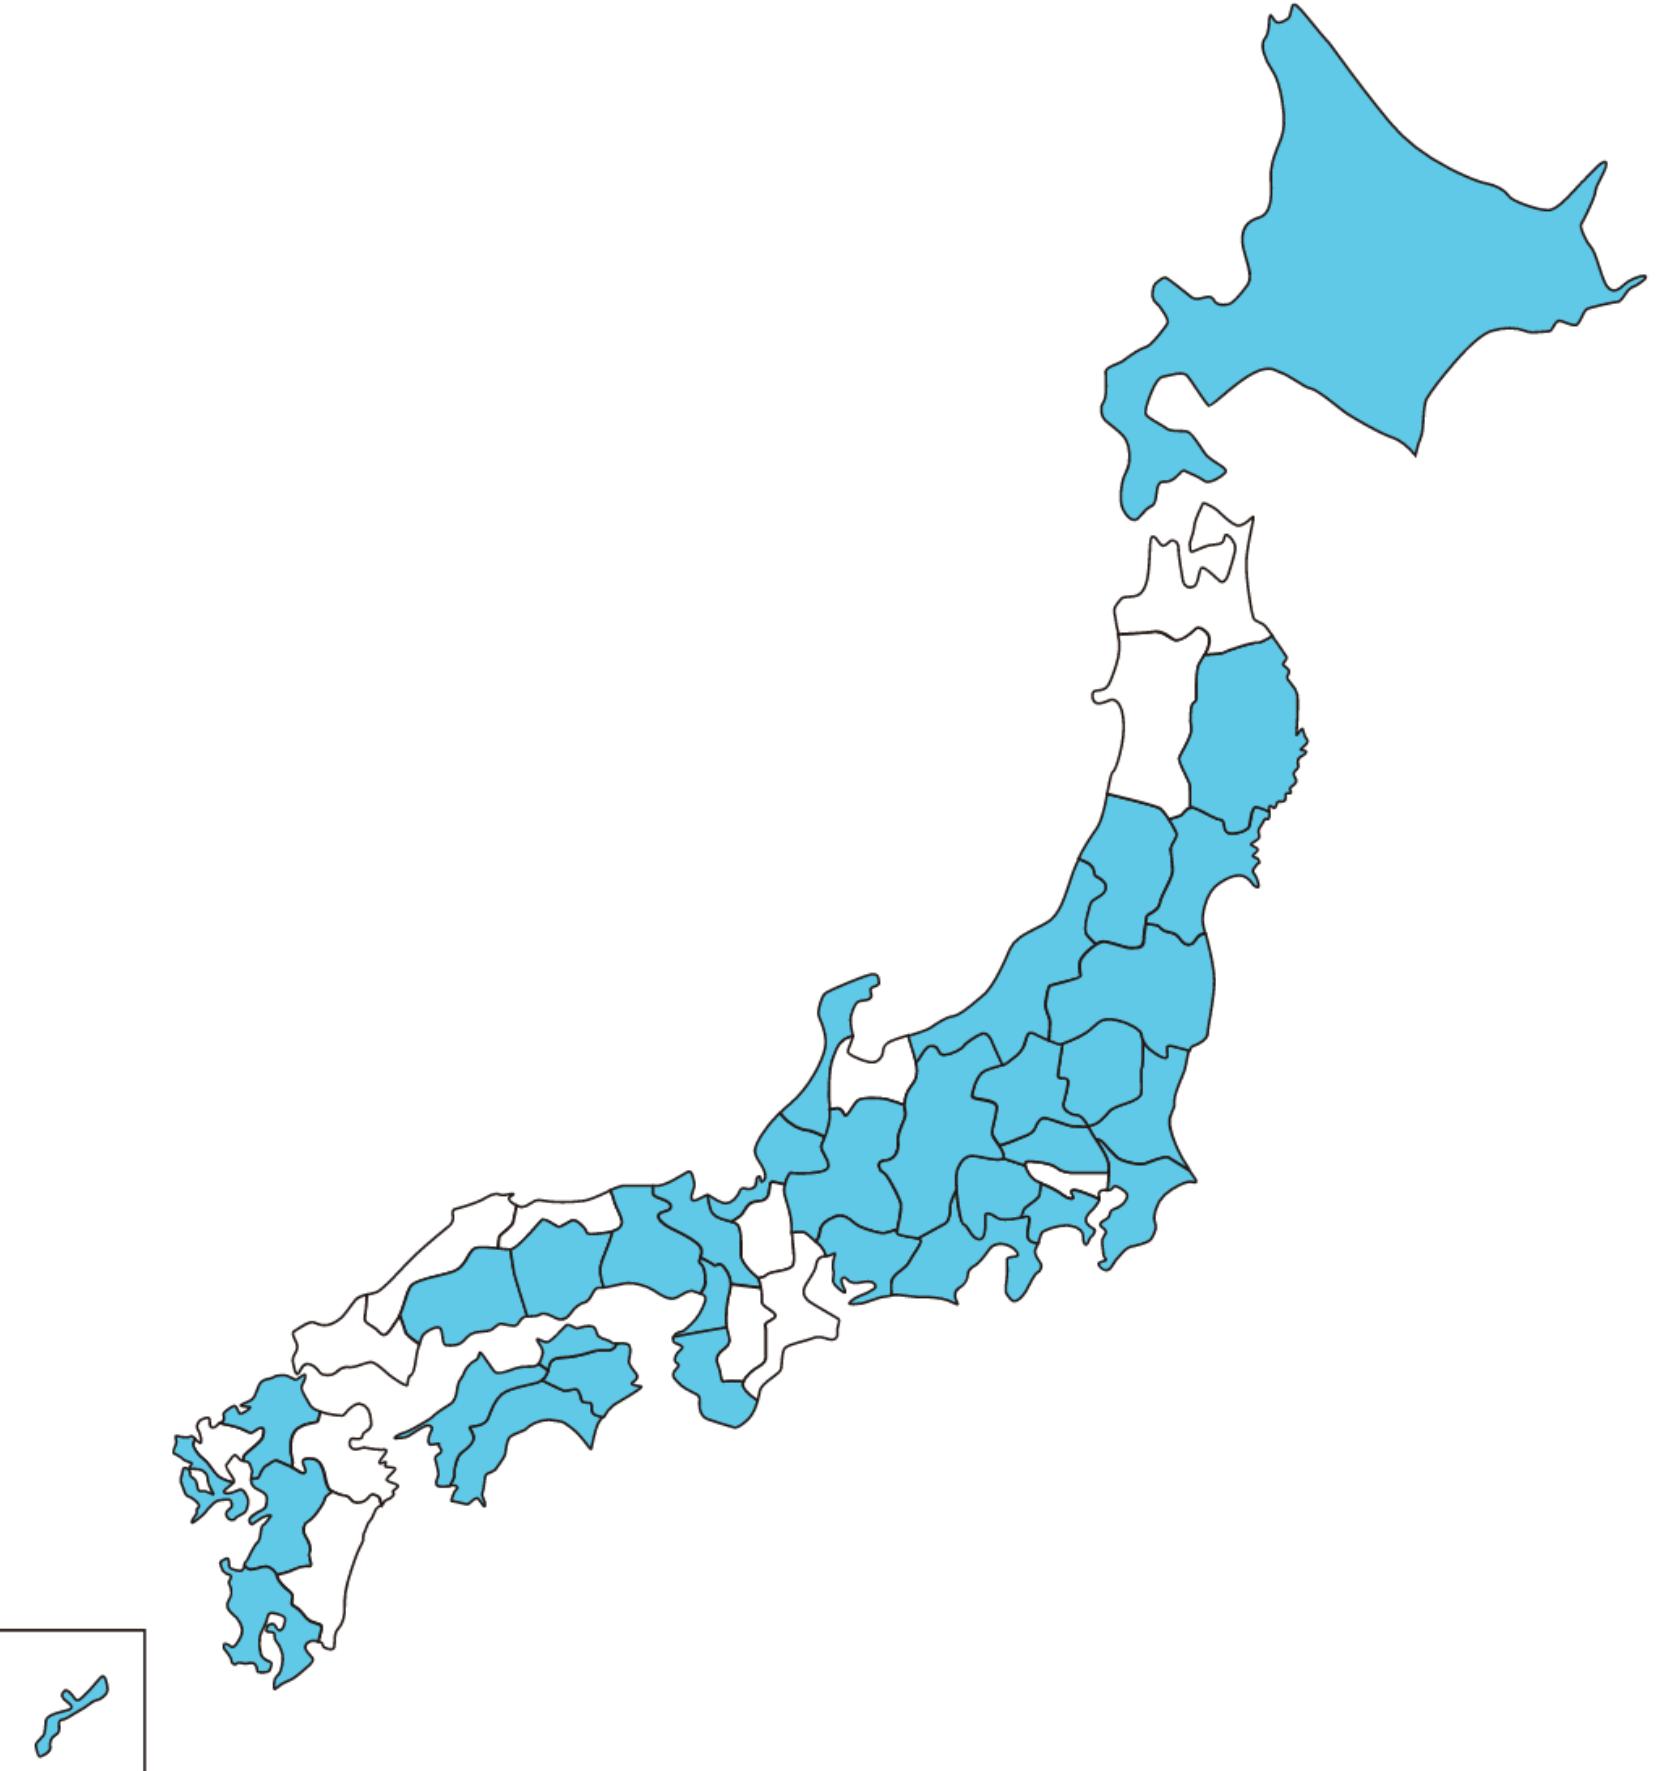

T-shirts

@takanory

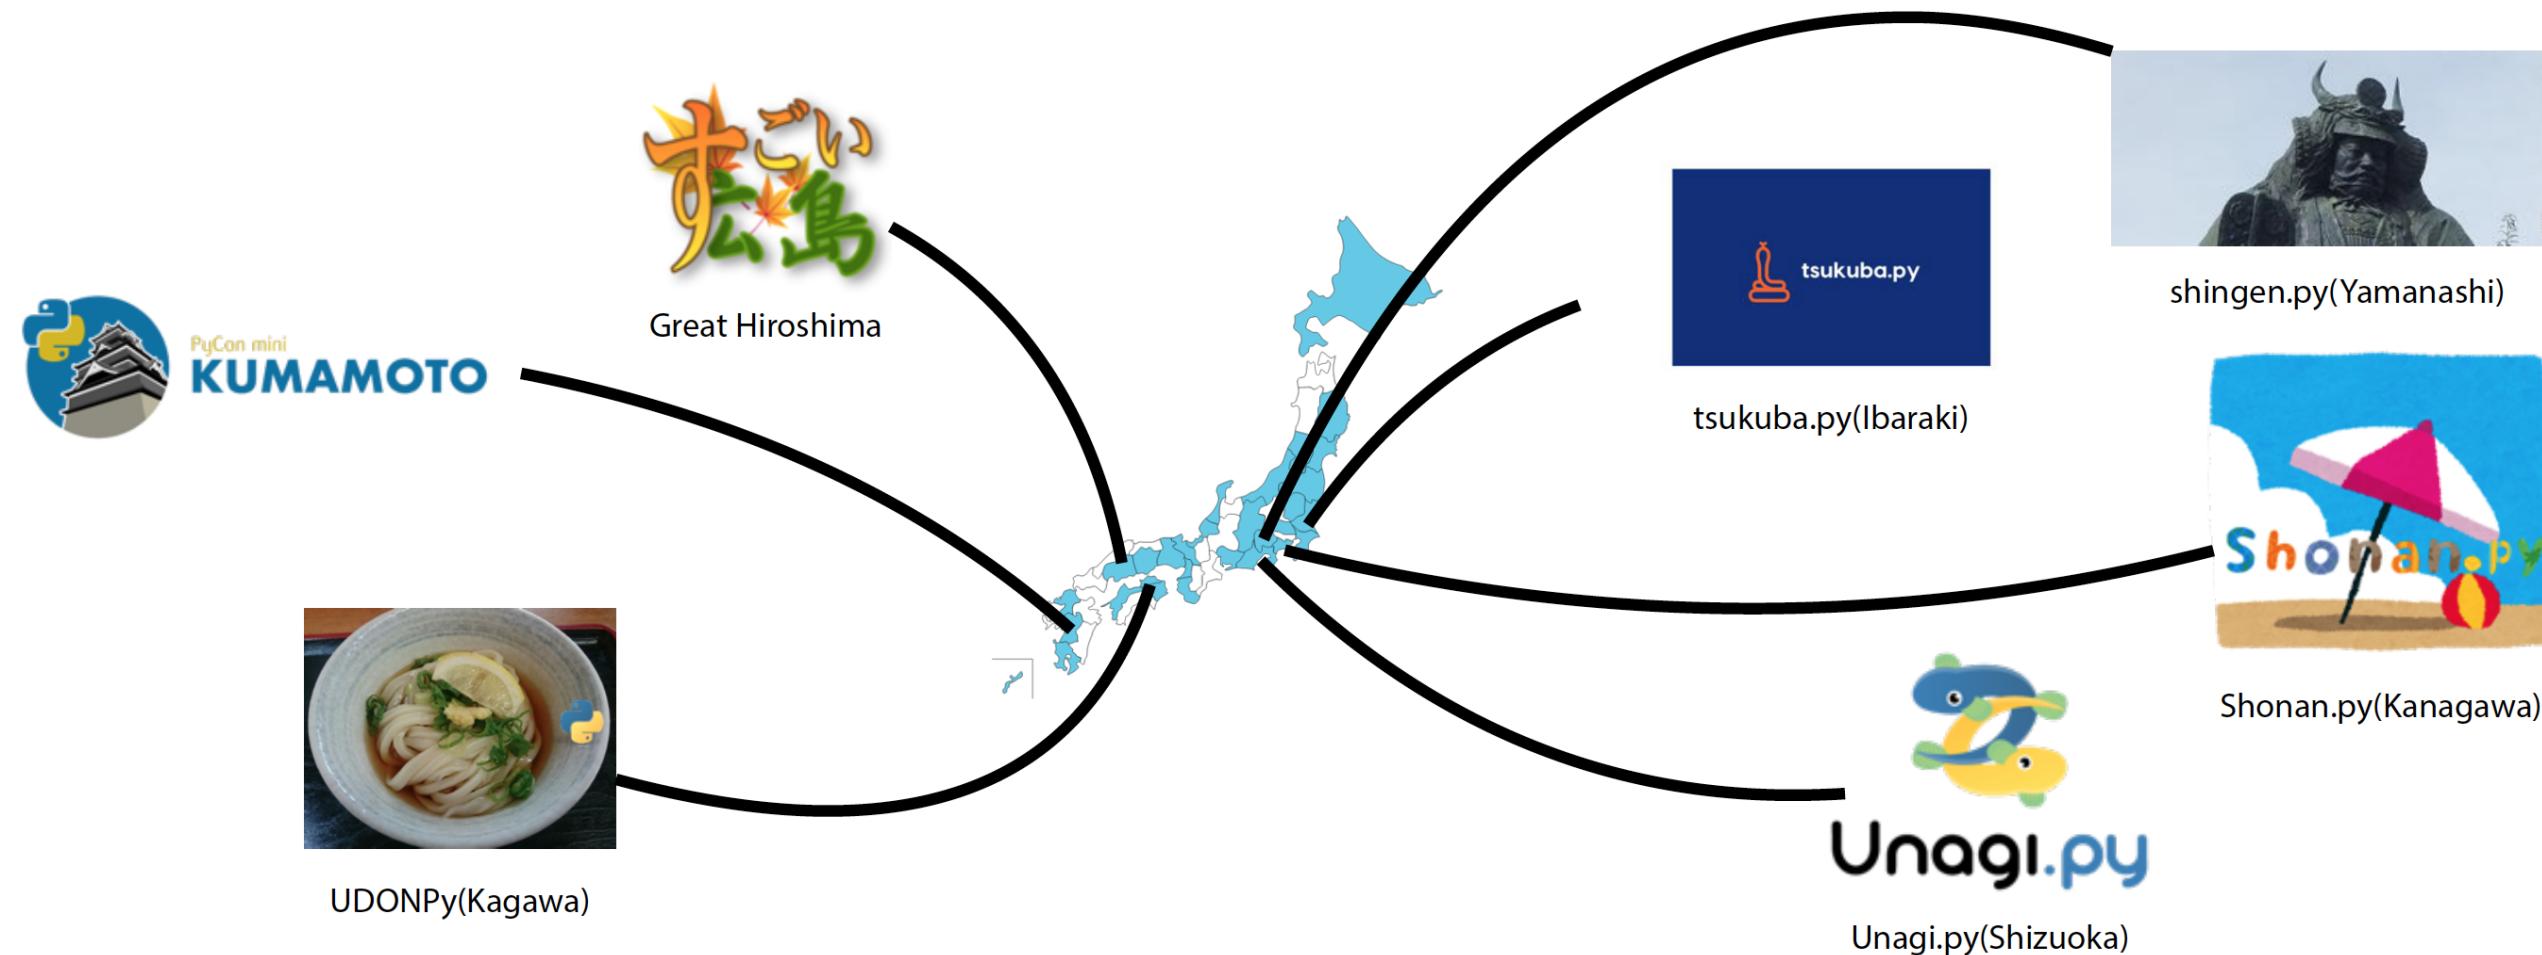

Results in numbers

- 4 years
- 41 times
- 970 participants
- 34 / 47 prefectures (72%)

@takanory

Local communities

Reunion at PyCon JP

@takanory

2019: Python Boot Camp

Caravan

2019: Python Boot Camp Caravan

- No new prefector for Python Boot Camp
- Visit local region from Tokyo
- PyCon JP booth at OSC

Python Boot Camp Caravan

- 6 locations
 - Okinawa, Sapporo, Nagoya, Kyoto, Shimane, Fukuoka
- PyCon JP activities
- Python Stickers
- Talk about Python syntax

PyCon JP Booth

@takanory

2019: Regional Meetup

2019: Regional Meetup

- Purpose: Relationship with local python communities
- hold at PyCon JP 2019
 - Sharing ideas and worries

@takanory

Regional Meetup(online)

@takanory

Summary

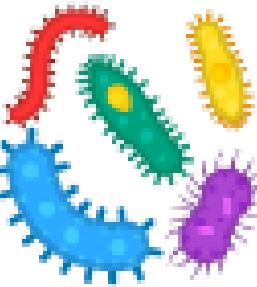

Summary

- Spread Python throughout Japan
 - PyCon JP, PyCon mini, Python Boot Camp, Caravan, Regional Meetup
- Face to Face
 - We go to local
 - Reunion make relationship stronger

Future

- PyCon JP: outside of Tokyo
- Python Boot Camp: all prefectures
- PyCon mini: more cities

COVID-19

- Game changing
- Switch to online
 - US, Euro, APAC(MY), KR, JP
 - What the difference?
- I'd like to meet offline
 - Let's go 🍺

2020: Python Charity Talks

- pyconjp.connpass.com/event/177586
- Date: 2020 Jul 4(Sat) 13:00-18:00
 - Online donation event, Half-day, Single track
- Goal: donate to PSF
 - ref: [The real impact of canceling PyCon due to COVID-19 | Opensource.com](https://opensource.com/article/20/5/the-real-impact-of-cancelling-pycon-due-to-covid-19)
- PSF supported PyCon JP
 - PyCon JP gives back to PSF

Results of Python Charity Talks

- Sponsors: 1 Platinum, 5 Gold, 9 Silver, 40 Patron
- Attendees: 200
- Speakers: 5
- LT Speakers: 7
- Staff: 8

**1,401,500 JPY
